

Packaging compliance

Confirmation of PPWR readiness

Status: October 2026

Jongen Werkzeugtechnik GmbH provides the following information on the packaging and packaging components used. Product-specific declarations of conformity and technical documentation are available on request following review.

Company details

Firma	Jongen Werkzeugtechnik GmbH
Anschrift	Siemensring 11, 47877 Willich, Germany
PPWR / quality assurance contacts	Agnes Behrendt / Kevin Wiemann
E-Mail	Umweltmanagement@jongen.de
Telefon	+49 2154 9285-6011

Specific requirements

Substance limits

The packaging used is assessed against applicable statutory limits and substance restrictions.

Recyclability

Material selection and packaging design follow design-for-recycling principles.

Empty-space minimisation

Transport and shipping packaging is dimensioned to avoid unnecessary empty space.

Traceability and labelling

Accompanying documents and digital contact options support clear allocation and documentation.

Note: This general confirmation does not replace a product-specific declaration of conformity.
